

# THE LEBRECHT GROUP

## A PROFESSIONAL LAW CORPORATION

### **Brian A. Lebrecht, Esq.**

I founded The Lebrecht Group, APLC in February 2001. Currently, I assist various clients primarily in the areas of corporate finance and mergers and acquisitions, including private placements, public and private offerings, Securities and Exchange Commission and Blue Sky compliance and reporting requirements, asset and stock purchases, and general corporate practice.

I have been fortunate enough to be selected by my peers as one of the Best Lawyers in America in 2005, 2006, and 2007.

Before founding The Lebrecht Group, APLC in 2001, I practiced corporate and securities law for five years with the Cutler Law Group. Immediately prior to joining the Cutler Law Group in 1996, I was the proprietor of The Law Offices of Brian A. Lebrecht in San Diego, California, focusing on business transactions, formations, and acquisitions as well as estate planning. My past experiences include a position in the legal department of the Federal Home Loan Mortgage Corporation (Freddie Mac) in Washington, D.C., a position within the General Counsel's office of a major Southern California construction supplier, and representation of consumer interests before the California State Contractors License Board and the California State Banking Department, culminating in published works in the California Regulatory Law Reporter.

Currently, I serve as an officer of the Securities Section of the Utah State Bar. In the past, I have served as a member of the Corporations Committee of the Business Law Section of the State Bar of California, as a member of the National Republican Congressional Committee Business Advisory Council, as an adjunct professor of Business Law at the University of California, San Diego Extension, have been active with the Service Corps of Retired Executives (SCORE) and the Greater San Diego Chamber of Commerce Small Business Development Center (SBDC), and was a licensed California Real Estate Broker.

I am a graduate of the University of San Diego with a Bachelor in Business Administration in 1991, and a J.D. and M.B.A. in 1995, and am licensed to practice law in the States of California and Utah and the United States District Courts for the Southern and Central Districts of California and the District of Utah.

In 2004, we decided to move our family from beautiful Orange County, California to Salt Lake City, Utah. The move was purely a desire for a change of scenery, as we had spent almost 20 years in Southern California up to that point. Fortunately, because of the very high quality individuals employed at The Lebrecht Group, we were able to keep our office open in Irvine, California while expanding our staff in Salt Lake City. Today, I have the best of both worlds by living and working in two great communities.

My spare time centers around my four children, who currently span from high school to kindergarten. We enjoy a variety of sports, including all levels of baseball and college football. Our family represents a third generation of Chicago Cubs fans, as demonstrated by the replica of Wrigley Field we recently built in our basement.
